Why Wait Until Christmas?

why wait until christmas to be nice
why wait until christmas to make things right

mr. grumpy walks down the street
with a grudge to bear
but you can smile at him any day
show him you care

so why wait until christmas to be nice

why wait until christmas to be caring
why wait until christmas to start sharing

stop and lend an ear
to troubles that aren't your own
drop coins in a collection tin
let others know they're not alone

so why wait until christmas to be nice
why wait until christmas to be nice
